

Twenty '09 | twenty dollars | nine cents | priceless impact

February 17, 2009

Twenty '09, small change can produce big results!

Dear friend,

You can't open a newspaper, turn on a television or have a conversation without mentioning our economy. All of us have been affected, in one way or another, by the stock market slide, the loss in our portfolios, or the drastic increase in unemployment figures. As you can imagine, the non-profit community has also taken a hit by these occurrences but your donation of only \$20.09 can help us continue our life-changing programs at Habitat for Humanity Inland Valley.

Last year alone, Habitat for Humanity Inland Valley impacted over 212 families, not to mention the hundreds of individuals who benefited from the opening of the Habitat ReStore. All of that was completed with a 25% smaller budget than 2007 and now, in 2009, the need is even greater than last year or any year before!

That is where Campaign Twenty '09 comes in! Join Campaign Twenty '09 and your support will help us continue improving living conditions for countless families in Inland Valley. In fact, if everyone receiving this letter donates just \$20.09, we would have enough to complete another year's worth of critical programs offering hope, help and even homeownership.

Now more than ever, Habitat for Humanity Inland Valley needs YOU!

Decent shelter provides the foundation that families need so they can thrive and address other needs. Habitat for Humanity Inland Valley provides a holistic solution to transforming lives and communities through it's many programs designed to help improve living conditions. Please consider this minimal contribution on behalf of the many individuals and families in need. Your \$20.09 has the potential to change lives!

Thank you for your consideration!

Tammy Marine,
Executive Director

Yes! I believe in Habitat for Humanity and their commitment to improve living conditions for those in the Inland Valley!
